

2021 Incoming Kindergarteners

We are very proud of the Hanover School family as we continue to work through this difficult time together. A change has been made to the incoming kindergarten parent/guardian meeting that traditionally takes place early in the spring. If the information below does not apply to your family, but you know of a family who will be joining Hanover schools as a Kindergarten parent/guardian for the 2021-2022 school year, we respectfully ask that you share this information with them.

The incoming Kindergarten parent meeting scheduled for March 10, 2021 at Jane Ball and Lincoln Elementary Schools has been cancelled to maintain Covid-19 protocols.

In lieu of the scheduled parent meeting, a "Google Form" link is included at the end of this message for all parents/guardians of incoming Kindergarten students. It requests student and family information. As with the traditional parent meeting, it is important that we reach as many families as possible with incoming Kindergarten students to help plan for the 2021-2022 school year.

Once the Google Form is received all of the important information that would have been shared at the traditional parent meeting, will be sent to parents/guardians electronically. _

Kindergarten Roundup Is Scheduled for the Following Dates/Schools

Jane Ball Elementary School - May 6-7

Lincoln Elementary School - April 15-16

Prior to Kindergarten Roundup parents/guardians will be asked to go to Signup.com to select a date and time in which to visit Jane Ball and Lincoln. The Signup.com link is not currently active, and a date has yet to be determined for selecting dates and times. Parents/Guardians will be notified when the link is active. Signup.com will also send a reminder of the date and time selected as it draws near.
