

Summer of STEM Camp

Calling all 4th graders who will be heading to the Middle School this Fall: Come join us for a STEM Camp session this summer! Students from Lincoln & Jane Ball will work in teams and have the opportunity to create their own projects using our 3D printers, Google Expeditions Tour Creator, Root Robot & more! With guidance, students will collaborate, plan, program & build to see their own ideas come to life!

Location: Hanover Central High School Media Center

Dates: **Session I** June 10-June 27 (M-Th No class June 20th)

Session II July 1-July 25 (M-Th No class July 4th)
