

HCMS SUCCESS PROGRAM

The Hanover Central Middle School SUCCESS program will begin on Monday, August 20th at 7:15 a.m. for Grades 6, 7 and 8 and will begin for 5th graders in mid-September. SUCCESS is a time designated before school starts on Mondays, Wednesdays and Fridays for students to see their teachers for help on an assignment, make-up tests and quizzes, or go to the library to do research for projects.

All students will sign-in for SUCCESS before entering the academic wings. Desks will be placed at the entryway to the grade level hallways (8th, 7th and 6th) where students will sign-in and put the name of the teacher they will be visiting. Students will then go to their lockers to put away their things and get the necessary materials to attend SUCCESS. Students should go directly to their classroom from this point. The Media Center along with many teachers will also require students to sign in to specific classrooms.

Students who wish to attend SUCCESS will need to be in the academic wings by 7:30 a.m., at which point the doors will be closed and student will remain downstairs until they are allowed to enter the academic wings. Student will be allowed to go to their first period classes at their regular times if they are not attending SUCCESS.
