

Hanover Community School Corporation

Mission Statement:

At Hanover Community School Corporation, we are: **Making a Difference, Realizing Potential**

Special points of interest:

- **NEW**—All the contact information you will ever need for all four Hanover Schools
- **NEW**—What is Curriculum Mapping and how does it benefit our students
- **NEW**— Helping you plan ahead with a look at fees
- **NEW**—Always find the latest updates and news on our Facebook pages

From The Superintendent

I continue to be humbled by the responsibilities you entrust me with as I serve as your Superintendent of Schools. Having just completed my third year of service, I am proud of the direction our schools are taking. I am proud and thankful for your vision and support through the passing of the school improvement referendum.

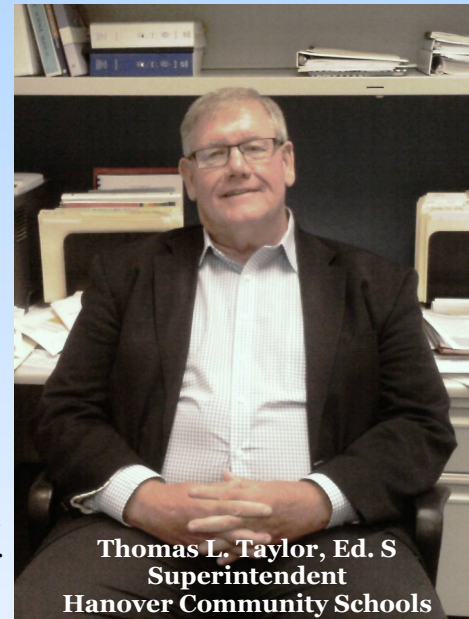

Because of your continued support, we have been able to maintain thriving art and music programs. We have experienced outstanding performances by our artists and musicians, and our programs continue to achieve new levels of participation and success including; the addition of a spring concert by the lake by our middle school and high school bands, outstanding recognition of our band and choral students at ISSMA competition, a very successful performance by our choral students in the Spring Spectacular, and continuing musical and drama productions by Hanover thespians.

Because of your continued support, we have been able to add teaching staff at the elementary level to keep class sizes down, particularly in grades K-2, where we teach the most critical of all skills, reading. Providing personal attention to our elementary students continues to be enhanced by our ability to retain our classroom instructional aides. In addition, Makerspace areas are being added to our media centers to introduce and develop problem solving skills to our students.

Because of your continued support, we have been able to add a pre-engineering curriculum, at our middle school. This curriculum, Project Lead The Way (PLTW), was developed to give students a basic introduction to problem-solving through the use of science, math and technology. In addition, we have begun looking at adding an additional sixth grade band class.

Because of your continued support, we have been able to increase our PLTW offerings at Hanover Central High School: AP Computer Science Principles and Civil Engineering; both courses will count as a career and technical education course. We have expanded our course offerings in business to include dual credit courses with Ivy Tech. Many of these courses may result in industry certification, college credits, or both. We have also added a second guidance counselor to our professional staff to better serve our freshman and sophomore student body.

This is an exciting time to be a part of the Hanover family. This year we will begin planning for increasing the use of technology in our classrooms. The School Board and I will also be hosting four public input sessions again this year. The first of these sessions will be in September and I encourage you to attend and participate. I will continue to serve with “an attitude of gratitude” and I thank you for your support.

Thomas L. Taylor, Ed. S

What is Curriculum Mapping?

Five and Forward

Parents are our children's first and most important teachers. Second to parents, are the educators that spend a large part of the day with children entrusted to them.

Parents meet the first day of kindergarten with joy, apprehension and the overwhelming desire to know that their children will be safe, loved, and learn all that's necessary to prepare them for the world outside of school. Students step on the bus for the first time and parents feel pangs of worry, wanting the very best for their sons and daughters. They share their children with us, hoping that we will care for them in their absence. Hence, the term in loco parentis – in place of a parent, an obligation we do not take lightly.

Preparing kids with academic and social tools is a profound responsibility, as well as a wonderful opportunity. This preparation underscores the importance of a sound and aligned curriculum that is guaranteed and viable. Our goal is to guarantee that the necessary curriculum will be taught, and that achieving that goal is viable in the course of a school year. Hanover Community Schools realizes the importance of this responsibility, and how essential it is to an informed citizenry.

During the last school year, the District implemented the use of curriculum maps with careful attention to how and when the Indiana Academic Standards are taught during the year. Throughout the school year, teachers meet to identify what students need to learn to master in each quarter. Additionally, short assessments, what some might remember as 'quizzes,' have been created that align with the Standards in an effort to determine how kids are performing. This affords teachers an opportunity to intervene quickly should kids struggle with the given content.

The curriculum maps have been aligned with the understanding that what is taught and learned in a given year is that which is necessary to help students be successful in the following school year. The discussions and planning that occur are not contained to one grade level, but include all grade levels. This work will continue year after year, because curriculum maps are fluid documents that need our constant review and revision. The maps are the blueprint for instruction that take your children, our students from the age of five and forward, from cradle to college or career.

The role of Curriculum Director is very rewarding, and it allows me the opportunity to guide the discussions and work that are essential to the academic progression of our kids, to view their progress with a lens that is panoramic as they move from elementary school to middle school and, finally, high school. I have the responsibility, everyday, to work with teachers and formulate a curriculum that will offer your child the best possible opportunities for success in a world that is constantly changing, that will offer new careers and paths that we can't even imagine today, and help ensure that your expectations for your child's future move toward reality. That's an incredible responsibility and an even greater joy.

Mary Tracy-MacAulay
Curriculum Director

Thank you for entrusting your children to the Hanover Community School Corporation; know that they are in good keeping! We look forward to a great year.

OUR NEW WEBSITE PAGES

As we begin the 2016-2017 school year, we will also begin a re-design of our current website, and all of its associated pages. Our goal is simple; making the website easier to navigate and putting the information you need at your fingertips, with a more user friendly homepage. We will continue to make the focus of our homepage, stories about our students and staff and a celebration of our success in providing a first class education for your children. Any disruption of service will be announced on our Facebook pages before it happens.

Even as we go through this process, we are looking to the future and currently investigating school application services that will enable us to implement a responsive design that will allow our website to be viewed in its entirety on any mobile device, and include social media updates as well.

Online Registration

This is the second year Hanover Schools will be using online enrollment. This process replaces the use of paper forms. If you don't have access to a computer, help is available. Hanover Central Middle School will again host an open use night of school computers for anyone wishing to register on August 4th from 1:00 to 3:00 p.m. and from 5:00 to 7:00 p.m.

New to Online Enrollment?

How do I get started?

Type this link into your browser: <http://www.hanover.k12.in.us/newstudent>

Should I create an account?

If you have never completed an online enrollment using InfoSnap, our online enrollment tool, you should create an account. Doing so allows you to securely save your work and return to the enrollment form at a later time. Using your email address or cell phone number as your user ID is an easy way to ensure you have ready access to your account.

Steps to Success with InfoSnap

If you already have an account, you can sign in and complete the form. You should use the same account to complete forms for multiple children.

Do I have to answer all the questions?

Questions marked with a red asterisk (*) are required.

What if I make a mistake?

If you would like to make a change, click on the underlined field or click "< Prev" to return to a previous page.

I've completed the form, now what?

When you have finished entering your information, click "Submit." This will send all of the information you have entered to your child's school. If the 'submit' feature does not respond, please re-visit fields highlighted with text indicating, "**Required.**"

What If I have more than one student in the district?

Do I need to complete a separate enrollment for each child? Yes, because you'll need to provide information that is specific to each child. We recommend that you submit one enrollment and then start another. This will allow you to copy shared family information, saving time and ensuring accurate information is transmitted.

Returning Students

Returning students can be registered by logging into the Power School Parent account (<http://hcps.hanover.k12.in.us/public>) and using the InfoSnap Returning Student Enrollment link found in the Navigation menu. Some returning student data will already appear on the form. Please review this data for accuracy and make any necessary changes.

Questions:

If you have any questions about the online registration process, please contact us at (219) 374-3500 or email your questions to registrar@hanover.k12.in.us.

FEE SCHEDULES & POLICIES

Jane Ball and Lincoln Elementary Schools

Grade ID	Grade	Book Rental	Lab/Hands-on Fee	Total

High School Parking Permit	\$20.00

General Policies & Information

Book rental, lab/hands-on course fees are due and payable on the first day of school. Fees will be refunded for student withdrawals completed on or before the tenth (10th) day of class, provided all materials are returned in good condition. Other fees and charges are not refundable. Please contact your school's Bookkeeper with any questions.

General Fees And Charges

Re-billing/Re-invoicing (After 30-days)	\$ 2.50
Referral to collection	\$10.00
Return check	\$20.00
Legal action to collect	Full cost
Lost, damaged or unreturned items	Full cost

Student Nutrition Services

The Nutrition Service Department served over **55,000** breakfasts and **250,000** lunches last year and our meals meet or exceed the dietary guidelines set by the USDA. To learn more about our staff and how good nutrition is an essential part of learning, visit our Nutrition Services webpage at www.hanover.k12.in.us, and select Nutrition Services under the 'Department' tab. Menus can be found on the Homepage of the website, as well as on each individual school page. Want quick and easy information? Have the menu and nutritional information delivered to you daily by following HCSC Nutrition on Twitter @HCWildcatLunch

Meal Account Information

Students have the opportunity to be provided an online, prepaid account found at www.mymealtime.com. To sign up for an account, use your student(s) ID number. Online deposits take 15 minutes to process and may be made with a credit/debit card. Deposits can be made at each school using cash (no change given) or a check made out to your school's cafe. Elementary students will need to send deposits at the beginning of the school day in an envelope marked with their full name, as well as their teacher's name. Middle and High School students can make deposits at breakfast or lunch. Mealtime can also send you a reminder email when funds are low in the account.

Hanover uses the Touch & Go Biometrics System for point of sale customer identification. This system eliminates the need to remember PIN numbers or carry ID cards. An individual's unique print is generated into a mathematical template that creates only identifying points-not the whole print. This unique template system cannot be accessed for replication by other security systems.

School Closings And Emergency Information

When it becomes necessary to close schools due to inclement weather or other factors, the official announcement will be made on the following radio stations: WJOB (1230 AM), Indiana 105 (105.5 FM), WAKE (1500 AM), Z107 (107.1 FM), WGN Radio (720 AM), and WBBM News Radio (78 AM). Announcements will be made on TV Channels; 2, 5, 7, 9, 32, 56 and CLTV and the website www.cancellations.com.

School closings will also be posted on the District's website at www.hanover.k12.in.us and Facebook at [facebook/hanovercommunityschools](https://www.facebook.com/hanovercommunityschools).

Meal Prices

	Breakfast	Lunch
Elementary	\$1.30	\$2.20
Middle School	\$1.55	\$2.50
High School	\$1.55	\$2.60
Reduced	\$.30	\$.40

Need Assistance With Nutrition Costs?

Benefits for families that were approved for the Meal Assistance program in 2015-2016 will expire September 28, 2016. **You must fill out a new application to apply for assistance for the 2016-2017 school year.** Applications may take up to 10 days to be processed and meal charges that occur before the application is processed and approved will apply. Assistance applications are available on the website and at all school offices and will be accepted anytime during the school year. Only one application is needed per family.

We will continue to utilize Blackboard Connect, a rapid communication service that delivers voice, email, and emergency messages quickly in order to keep parents informed in a timely manner. Blackboard Connect uses the phone numbers and email addresses we have on file. Please ensure your contact information is up to date during the online registration process.

Hanover Central Athletics

We had the pleasure of seeing our student athletes excel not only in various athletic arenas, but in the classroom as well. Our high school student athletes averaged a 3.31 GPA for the 2015-2016 academic year. As Hanover Central enters its fourth year as a member of the Greater South Shore Conference, we highly encourage and hope all of our students will take advantage of the opportunity to be a part of our athletic programs. Participation in athletic practice and competition helps teach many valuable life lessons.

The Hanover Community School Corporation has made a significant commitment to improve our outdoor athletic facilities for all our student-athletes. We now have and will continue to develop first class indoor, outdoor and practice athletic facilities in which our students, parents, and the community can take pride. We encourage everyone to take the time to attend an HC athletic event and see all the good things that are continuing to happen at Hanover Central.

As we prepare for the upcoming 2016-17 school year, please take time to visit the Hanover Central Athletics website at www.hanovercentralathletics.com. The athletics website is your best source for up to date information and materials needed for our high school and middle school student athletes. All of the information below can be found on the website, including printable forms.

Physical Packet

You will find a 2016-2017 printable 'Physical Packet' under the athletic forms tab on the website. Every student, in grades 6-12, who plans to participate on a Hanover Central athletic team must have a completed physical packet on file before he/she can begin practice. Each piece of the physical packet must be completed with all the appropriate signatures and turned into the athletic office. Physical packets are also available for pickup in all Hanover school offices.

Transportation Fees

We're pleased to announce that there will be no increase in transportation fees for 2016-17. Middle School participation is \$20 per season and High School participation is \$30 per season. A student athlete may participate in more than one sport in a season for a single fee. Transportation payments can be made to the middle school and high school bookkeepers or paid online through the student fees program. Transportation fees will be posted after the official practice season begins and team rosters have been finalized.

Fall Start Dates

Please check the athletics website for updates on athletic start dates, as they may be adjusted. Practice times will be announced prior to the start of each season. Anticipated fall start dates are shown below:

Middle School

July 25 – Middle School Softball – 1st practice/tryout
 August 8 – Middle School Cross Country and Football – 1st practices
 August 15 – Middle School 7th/8th Grade Volleyball – 1st practices/tryouts
 August 22 – Middle School Baseball, 5th/6th/7th/8th Grade Soccer
 and 5th Grade Volleyball—1st practices
 August 29 – Middle School 6th Grade Volleyball – 1st practice/tryouts

High School

July 29 - High School Girls Golf – 1st practice
 August 1— All High School Fall Sports – 1st practice/tryouts
 August 8 - Parent/Athlete Meeting for All High School Sports – 6:30 pm at HCHS

Homecoming

This year's Homecoming game will take place on Friday, September 30, 2016. Our varsity football team will take on Wheeler High School. Game time is 7:00 p.m.

Athletic Booster Club

The Athletic Booster Club meetings are held on the first Monday of each month in the HCHS athletic hospitality room. Please plan on becoming an active member, and have a tremendous impact on the overall experience of every student athlete at Hanover Central. For more information about the Booster Club, please visit their website at www.hcboosterclub.org.

Athletic "Wildcat" Passes

"Wildcat Passes" are now on sale and can be purchased through the Athletic Department. More information can be found under the ticket and passes tab on the athletic website.

GO WILDCATS!

School Calendar

PLEASE NOTE: THIS CALENDAR IS SUBJECT TO REVISION THROUGHOUT THE SCHOOL YEAR. PLEASE VISIT OUR WEBSITE AND/OR FACEBOOK PAGE FOR THE LATEST UPDATES.

AUGUST

- 1-5 Online Registration for returning students—K-12
- 2 New to District Registration at Jane Ball and Lincoln Schools 8:00 to 11:30 a.m. and 1:00 to 3:00 p.m.
- 4 Forms and computers will be available for all returning student enrollment, regardless of school attending. Available at Hanover Central Middle School 1:00 to 3:00 p.m. and 5:00 to 7:00 p.m.
- 1-3 New to District Registration for Hanover Central Middle School and Hanover Central High School 8:00 to 1:30 a.m. and 1:00 to 3:00 p.m.
- 9 6th Grade Orientation
- 11 Freshman Orientation 8:00 a.m. until 12:30 p.m.
- 15 Kindergarten Orientation—Jane Ball Elementary, 5:30 - 7:00 p.m.
- 15 New Teacher Orientation Day
- 16 Teacher Orientation Day
- 16 Kindergarten Orientation—Lincoln Elementary, 5:30 - 7:00 p.m.
- 16 Jane Ball Back to School Night—6:30 p.m. to 8:00 p.m. (Grades 1 - 5 only)
- 17 **FIRST STUDENT DAY**
- 24 Lincoln Elementary Back to School Night—Grades 1-5 - 6:30 p.m.

September

- 5 Labor Day—No School
- 7 Middle School Back to School Night—6:30 - 8:00 p.m.
- 14 High School Back to School Night—6:30 - 8:00 p.m.

October

- 19 End of first grading period
- 20-21 Fall Break—No School

November

- 23-25 Thanksgiving Break—No School

December

- 16 Last day of school in 2016
- 19-2 Winter Break—No School

January

- 3 School Resumes
- 12 End of First Semester (90 Days) and End of Second Grading Period
- 13 Records Day—No School
- 16 Martin Luther King Day—No School (Or Make-Up Day)
- 17 Beginning of Second Semester

February

- 17 Vacation Day—No School (Or Make-Up Day)
- 20 President's Day—No School (Or Make-Up Day)

March

- 8 New Kindergarten Parent Meeting—Jane Ball and Lincoln
- 22 End of Third Grading Period
