College Go! Week was celebrated September 22-26. In honor of this, students were encouraged to wear any college apparel to school. It is never too early to plant the seeds of continuing education after high school with your child. Begin the conversation! College Go! is a year-long observance that highlights college and career options, and paying for college, including information on scholarships for universities, colleges, and vocational schools.

First Grade made the trip to visit County Line Orchard in Hobart. It was a beautiful sunny day and the kids had a great time. They enjoyed the apples, animals and being out of the classroom. The hayride was a hit also.

At the top look for the Department Button and click on it. Then find Human Resources/ employment and click on it. Find the application and information on this page.

Spell Bowl
Our exceptionally bright Spell Bowl Team has already started practicing those 750 words. Hopefully, they will acquire astronomical knowledge. I was exhilarated by our first practice experience which was of course held in Jane Ball facilities. I’m no statistician, but I expect that my stimulating activities will help them make an achievement.

Mrs. Plants
Right PATH

Let’s talk about getting our children ready for kindergarten. Is your child ready? This may be the most important job parents will ever have.

Parents as Teachers have collaborated with Lake Area United Way & Hanover Community Schools to offer children entering kindergarten in the fall of 2015 a little extra help.

What does this look like? Fifteen group sessions held at Hanover Central High School in Room 75 on Tuesdays from 10 a.m. – 11 a.m. (seven groups first semester and eight second semester). Sessions will help children focus on literacy, math and social skills using evidence based curriculum that align with Indiana Academic Standards.

How do you sign up? Please call (219) 736-4955 ext. 100 or email vrainwater@mhalakecounty.org to enroll your child. Each child must be registered to attend as space is limited.

WAYS TO MOTIVATE RELUCTANT READERS

Does your child make excuses not to read? Here are some steps you can take to encourage her:

• Find reading materials about your child’s interests.
• Watch educational TV programs related to what she’s reading.
• Talk about reading. When she is able to express her thoughts, her confidence about reading grows.
• Demonstrate how reading is useful. Use cookbooks or newspapers in your daily activities.

Q. What dog keeps the best time?
A. A watch dog.

"Enthusiasm is the engine of success."

-Ralph Waldo Emerson
